SMALL SHIP SAILING

The glamorous Windstar Cruises affords guests romance, adventure and enticing European ports.

According to the learned Dr Samuel Johnson “The grand object of travelling is to see the shores of the Mediterranean”.

For many, it is the lure of ancient civilisations and diverse cultures within a day’s sailing of each other that capture the imagination. What better way to experience the reality than onboard a cruise on the fabulous motor sailing yacht. A unique rigging system unfurls the sails on her five masts in less than two minutes.

With her elegant profile Windstar Cruises draws gasps from onlookers in every port. Guests onboard can enjoy the company of like-minded people who seek soft adventure, culturally enriching shore excursions from the Concierge Collection and the self improvement benefits of the organic spa experience.

With a savings of up to 56% on selected Europe cruising, there really has never been a better time to escape the chill of winter. A voyage with Windstar Cruises is sure to be one of refined luxury and effortless relaxation.
